Every day Defiance City School students enjoy a healthy lunch that meets guidelines set by the National School Lunch Program. We serve lunches that follow a meal pattern designed to reflect the Dietary Guidelines for Americans. Each meal has protein, fruit and/or vegetable, grains (bread) and milk.

If your family meets the eligibility requirements, your child may receive free or reduced price meals. An adult household member needs to fill out the application, **one per household**, which is available at your child's school, online at www.defiancecityschools.org or by calling the Food Service office at 419-782-6382. Applications are taken all year.
