

As you know, DES has a “no request” policy for teachers. This has worked well for our district, and our classrooms are well distributed based on boy/girl ratio, as well as the behavior and academic needs of our children. We will follow this same policy for the 2022-2023 school year. If you have a teacher that you would like to exempt your child from having, we will welcome that information. However, requests will not be accepted. If you wish to exercise an exemption, you must complete this form and return to the office no later than June 13, 2022.
