

## **Academic Awards Program 2017-18**

The Defiance Academic Booster Club cordially invites you to attend the Academic Awards Program to be held at 7 p.m. on Monday, May 21, 2018, in the Defiance Community Auditorium.

The purpose of the program is to recognize and honor students who have been on the Honor Roll (minimum 3.0 GPA) for the entire 2017-2018 school year. Qualifying students will receive an academic awards patch, pin, and certificate. In addition, they will be entered into a drawing for various prizes.

Furthermore, we will award two major scholarships to a male and a female graduating senior. Also, another new member will be inducted into the DHS Academic Boosters Hall of Fame.

Please mark your calendar to join us as we celebrate the achievements of these future leaders on Monday, May 21.
