31, 2016

Sample Assignment #3

Friday, November 20

29, 2016

Sample Assignment #4

Friday, November 20

1, Jan 24, 2016

# What the Page Looks Like

The screenshot shows the interface of a Canvas LMS classroom page. At the top, there is a navigation bar with a hamburger menu icon, the text 'DCS Classroom', and two tabs: 'Stream' (which is highlighted with a blue underline) and 'Classwork'. To the right of the tabs are a gear icon for settings and a grid icon for additional options. Below the navigation bar is a large blue header banner. On the left side of the banner, the text 'DCS Classroom' is displayed in large white font, followed by 'Class code o5e2524' and 'Meet link Generate Meet link' with a camera icon. On the right side of the banner, there is an illustration of a yellow book with speech bubbles, a blue book, and a pair of headphones. Below the banner, the page is divided into several sections. On the left, there is a white box titled 'Upcoming' containing two entries: 'Due Thursday Sample Assignment #1' and 'Due Friday Sample Assignment #2', with a 'View all' link at the bottom. To the right of this box is a white box for sharing, with the text 'Share something with your class...' and a refresh icon. Below that is a white box for announcements, with a profile picture placeholder, the text 'DCS Teacher Name', and the text 'Announcements from the teachers post here.' To the right of this box is a vertical ellipsis icon. At the bottom of the page is a white box for adding a class comment, with the text 'Add class comment...' and a submit arrow icon.

All assignments are posted on the “**Classwork**” page.

The “**Stream**” is used for posting announcements.
