Dear DCS Families,

In case you were unaware, there has been an increase in illness in our area. Defiance City Schools have taken and will continue to take a proactive approach by disinfecting and sanitizing each of our buildings above and beyond our normal cleaning regimen. As a reminder please use the following diagram to assist you in determining if your child should stay home from school.

		I Need to Stay Home if...						
I have a Fever	I am Vomiting	I have Diarrhea	I have a Rash	I have Head Lice	I have an Eye Infection	I have been in the Hospital		
								
Temperature of 100°F or higher	Within the past 24 hours	Within the past 24 hours	Body rash with itching or fever	Itchy head, active head lice	Redness, itching, and/or "crusty" discharge from eyes	Hospital stay and/or ER visit		

I am Ready to Go Back to School When I am...

Fever free for 24 hours without the use of fever reducing medication.	Free from vomiting for at least 2 solid meals without the use of medications.	Free from diarrhea for at least 24 hours without the use of medications.	Free from rash itching or fever and evaluated by doctor if needed.	Treated with appropriate lice treatment at home and proof is provided to nurse.	Eye has returned to normal or have a note from doctor to return to school.	Released by my medical provider to return to school.
